

PARKER LANE LIMITED

EQUAL OPPORTUNITIES STATEMENT

Our commitment

The organisation is committed to providing equal opportunities in employment and to avoiding unlawful discrimination in employment and against customers.

Striving to ensure that the work environment is free of harassment and bullying and that everyone is treated with dignity and respect is an important aspect of ensuring equal opportunities in employment. The organisation has a separate dignity at work policy, which deals with these issues.

Equal opportunities in employment

The organisation will avoid unlawful discrimination in all aspects of employment including recruitment, promotion, opportunities for training, pay and benefits, discipline and selection for redundancy.

Person and job specifications will be limited to those requirements that are necessary for the effective performance of the job. Candidates for employment or promotion will be assessed objectively against the requirements for the job, taking account of any reasonable adjustments that may be required for candidates with a disability. Disability and personal or home commitments will not form the basis of employment decisions except where necessary.

The organisation will consider any possible indirectly discriminatory effect of its standard working practices, including the number of hours to be worked, the times at which these are to be worked and the place at which work is to be done, when considering requests for variations to these standard working practices and will refuse such requests only if the organisation considers it has good reasons, unrelated to any protected characteristic, for doing so. The organisation will comply with its obligations in relation to statutory requests for contract variations. The organisation will also make reasonable adjustments to its standard working practices to overcome barriers caused by disability.

The organisation will monitor the ethnic, gender and age composition of the existing workforce and of applicants for jobs (including promotion), and the number of people with disabilities within these groups, and will consider and take any appropriate action to address any problems that may be identified as a result of the monitoring process.
